The information furnished above is correct to the best of my knowledge. I understand any changes in the information or variance from actual service requirements may increase the time needed by the Board of Public Works to evaluate this request and provide service. I also may incur additional charges for engineering and construction from the Board of Public Works as a consequence of such changes.

I also understand facilities may not be connected to the Board of Public Works system until approval to do so is received in writing from the Board of Public Works.
